The idea behind all of our competitive field trips is to capture the life, feel, and energy of our location. Carmel Valley is a sublime pastoral river valley nestled into the towering Santa Lucia range, and is one of the finest wine growing regions in California. The main artery in Carmel Valley Road, which starts at Scenic Highway 1 and meanders eastward, winding along Carmel River past endless opportunities for recreation, entertainment, sumptuous food and premier wine tasting. Carmel Valley is home to Garland Ranch Regional Park's 4000+ acres with excellent opportunities for hiking, biking and horseback riding. Thirteen miles from Highway 1 is the quiet Carmel Valley Village with its fine dining, wine tasting, antique shops and art galleries.
