

Pop Up for the month of May

The May “Wild Things” Pop Up Challenge invites you to take a walk on the wild side to find, and artistically capture, the “wild things” living around us. Whether in trees, under bushes, on the beach, in the Bay, or crawling around in our backyards, the critters are waiting for you and your camera. Grab the bug spray, lace up your sneakers, and hit the trail. Good hunting!

Send up to 5 images to: rljmonterey@comcast.net

Submit them by May 25th, for a showing on June 5th.
