PICTORIAL #3 - BODY EMOTION

GROUP AA

---

**01. A possible marital spat:**

Funny story being told. Great color.

**02. Artist pondering the scene:**

Beautiful view, wonderful light on face and composition. Well done.

**03. Big brotherly love:**

Great emotions! You are ready for group A

**04. Brave:**

Great moment, color and composition.

**05. Concentration:**

Nice cropping to tell story.

**06. Content.**

Too abstract for this assignment. Otherwise interesting texture and gradient.

**07. Dancing in the surf.**

I would like to have seen more environment to mimic the emotion of the subject. "free"

**08. Encouragement:**

Great moment.

**09. Fearless:**

Title is confusing. Great color and subtle use of desaturation.

**10. Joyful Tracy in wildflower heaven:**

Great emotion and color! Mindful composition. Very nice.

**11. Peaceful:**

Great light and color.

**12. Playing at the beach:**

nice background.

**13. Poppies don't have a scent:**

Very cute. Be careful of over saturation skin tones.

**14. Sharing a Moment:**

cute. background is distracting.

**15. Shy little girl:**

Great use for BW. Nicely done.

**16. So many things to do, so little time**

**17. Tenderness:**

Nice artistic use of BW.

**18. Walking the high line on Presidio sculpture:**

Great composition!

**19. Wonder:**

Try lower angles.

---

**First Place:** 03. Big brotherly love: Great emotions! You are ready for group A
