

Group shoot at the Carmel Valley Trail & Saddle Club Saturday, September 21, 2024 From 8am - 4pm

FOR THE 2024 RANCH ROUNDUP

Sandie McCafferty has arranged for Padre Trail members to photograph the 2024 Ranch roundup, where we will see different events, such as penning, sorting, roping, cutting and races to name a few. We will have a chance to get up close to the action and get some great photos.

There will be vendors at the event, and Padre Trails will have a table set up with info about the club. We will also have the opportunity to display some of our members photos. If you have any mounted or framed images you would like to display, let me know.

There will be a bbq lunch available for purchase at the event. We can meet for lunch at noon and enjoy some bbq.

We will meet at 8 am at the Padre Trails table set up and can go over the day's events.

Send in 10 of your favorite photos to: rljmonterey@comcast.net
no later than September 28th, for a showing on October 2nd.
