

PTCC-2018 – PICTORIAL 3 - OPEN GROUP AA

9 images from 3 members

01 - Benefit Concert.jpg

Nice shot, good lighting, a bit soft, maybe needed higher ISO

02 - Fuchsia Stamens.jpg

Love the color and shallow depth of field

03 - Modern Wall Decor.jpg

I like the abstract image, the frame in the shot is confusing, makes it hard to focus on the subject

04 - New Zealand Lilly.jpg

I enjoy all the motion created in post production, I wonder if you only applied it to the subject and not the background if it would have a different effect

05 - Pacific Grove Shoreline.jpg

Beautiful long exposure

06 - Portrait of an American Coot.jpg

Great close up, maybe a little tighter crop would be interesting

07 - Sassy Amanda.jpg

Nice light, feels like a commercial shoot

08 - Sunset At The Pier.jpg

wonderful details and light, good exposure

09 - The Ayes Have it.jpg

abstract and strange (I like the strange!!)
