**Judged by: Rachel Short**

**01 – Asilomar 1.jpg**

Beautiful dramatic sky, great title range and composition

**02 – Asilomar 2.jpg**

I like Asilomar one better because my eye goes directly to the wave, this image is a little busier but still beautiful dramatic sky, good total range and composite

**03 – Cambodian Girl.jpg**

Beautiful lighting makes this picture.

**04 – Crashing Wave, Pt. Lobos, CA 03-11-1.jpg**

Interesting abstract photo, I like the textures and contrast.

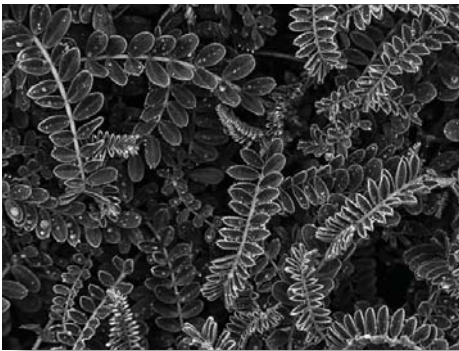

### 05 – Devil with the Blue Eyes.jpg

Interesting subject, stands out from the background. Try different angles and composition for more interesting photo

### 06 – Don't Mess with Me.jpg

My eye definitely goes to the subject, possible different angle or lighting could make this image more interesting

### 07 – Exploring the Depths of the Soul.jpg

Great turn on range contrast and composition. Nice photo.

### 08 – Gull on Rock.jpg

Nice tonal range in ocean and rocks, good texture and contrast.

**09 – Light patterns on mud, Pajaro Dunes Beach.jpg**

Interesting abstract photo, I like the texture and contrast.

**10 – Mystery in the Slough.jpg**

Beautiful, dreamy photo. I love the mystery.

**11 – Shelter.jpg**

Good street photo and good composition.

**12 – Steam Train.jpg**

I like the contrast of the dark, hard train and the soft, light billowing steam.

**13 – Stormy Day at Garrapata Beach.jpg**

I like the shapes, lines and composition. Great tones and contrast.

**14 – The Holding Space of New Beginnings for Hundreds of years.jpg**

Beautiful architecture photo, capturing the feeling of the space.

**15 – Two Monks.jpg**

I like the wide shot emphasizing them walking towards the viewer. Good composition and framing.

**16 – Waiting for the Big One.jpg**

Nice lines and shapes, I think I would like it without the person in the photo.

**17 – Walkway at Mission San Antonio.jpg**

Good composition and lighting, I like the leading lines drawing the viewer in

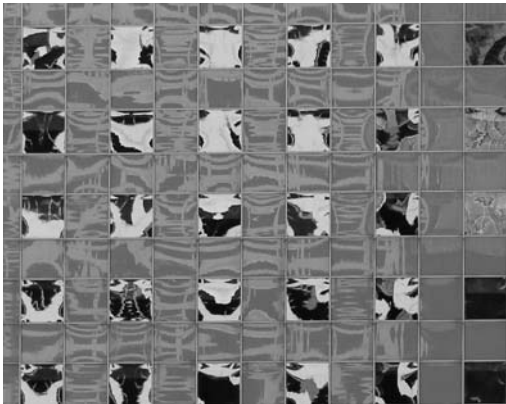

**18 – Willets, Pajaro Dunes Beach, CA 02-23-29.jpg**

Great composition and shapes. Good choice of cropping for this image

**19 – Winding Stairs.jpg**

I like the composition of this image but seems like the total range and contrast needs to be adjusted. The image looks a little flat.

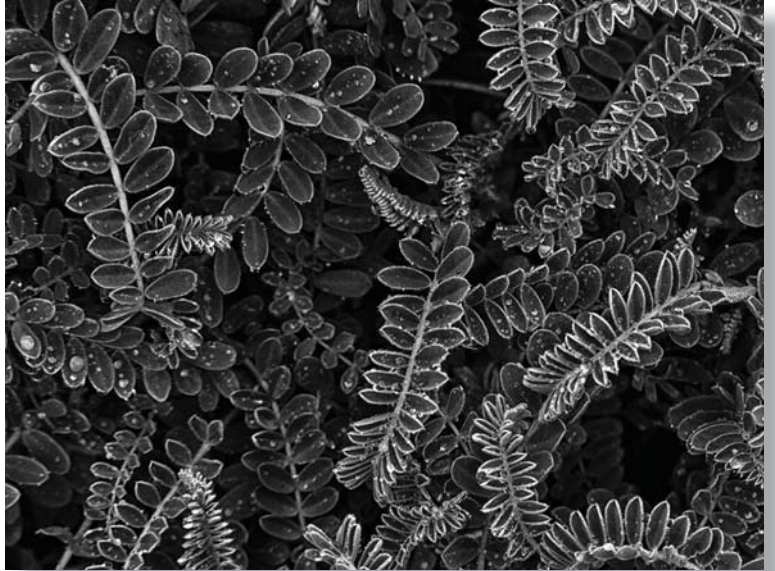

**20 – Window Chess (1 of 1).jpg**

Interesting abstract image. I would like to know more about what's going on here
