

01 - Flame-lined Chiton, Pt. Lobos State Reserve, CA ,01-09-20.jpg

Kent Van Vuren

Nice subject. Could be a little more sharply focused.

02 - Incoming at Carmel River Beach.jpg

Janet Azevedo

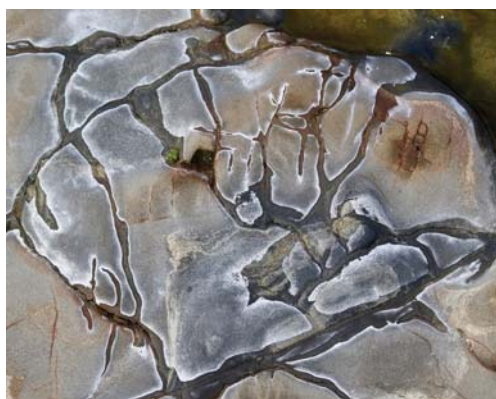

I like the lines on this one. Could use a little more contrast.

03 - Lone Cypress.jpg

Dick Light

Nice. Suggest cropping on the left for more dynamic print.

04 - Pattern on rock. Point Pobos State Reserve 03-31-20.jpg

Kent Van Vuren

Great detail. Dots in upper right corner are a bit distracting. Could clone out.

05 - Pelecanus Occidentalis in all it's glory.jpg

Janet Azevedo

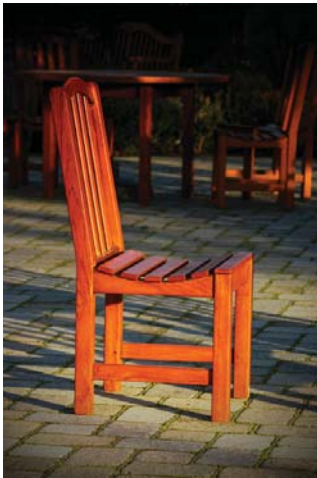

Very artistic and fun. Good clarity.

06 - Priceless.jpg

Dick Light

Clever idea, good subject for today's world.

07 - Save My Seat.jpg

Dale Thies

Nice lighting.

08 - Seat With A Different View.jpg

Charlie Gibson

Patterns and architecture are great, nice attention to detail.

09 - Sheltering in place.jpg

Nicole Asselborn

Not sure I understand this one – what is the message here?

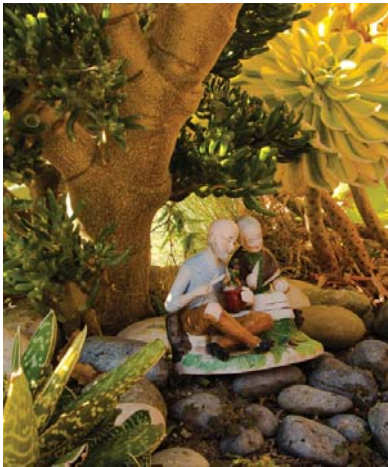

**

10 - Socially Distant.jpg

Dale Thies

Nice dynamic range. Could be cropped on the left a bit for more impact.

11 - Under the jade tree we will grow old.jpg

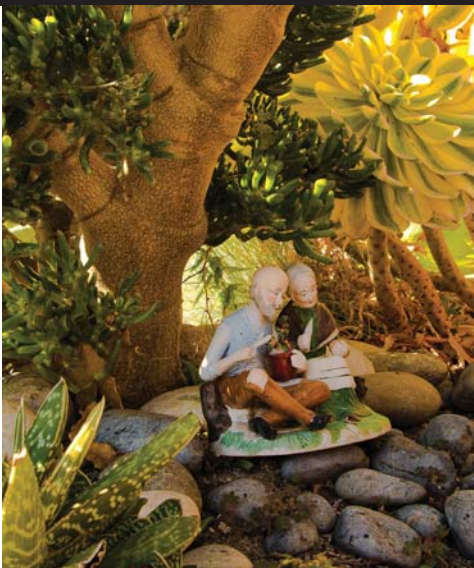

Nicole Asselborn

Shades of Hieronymus Bosch and his earthly delights?
