

01-Anemone in the shade - in bloom and after.jpg

Margret Cordts

Gorgeous, technically advanced image, would work very well in a series.

02 - Blue Anchor Cafe.jpg

Clarissa Conn

Interesting subject matter, nicely capture, colors could be toned down just. bit.

03 - Boat in Harbor.jpg

Dale Thies

Very nice, soft, inviting image; could use a bit more contrast and some cropping of right side of photo.

04 - Boys of Summer.jpg

Betsy Collins

Well done, inviting image with strong “story telling” elements, blurred chain link fence adds an element of suspense, great use of colors.

05 - Enjoying the Sunset Together.jpg

Carol Silveira

Excellent story telling image, great tonality and well focused, cropping the right side would make it a stronger image.

06 - Every Which Way.jpg

Christina Parsons

Technically well done, sharp and well balanced composition, not sure of artist's intent.

07 - Grape harvest by night.jpg

Joni Zabala

Good "story telling" image, excellent composition, would do well as a Documentary image vs. Pictorial.

08 - Heaven and earth.jpg

Ken Jones

Powerful image, great use of patterns, colors and composition to create strong interest.

09 - Hulk.jpg

Jerry Heisel

Very nice image with appealing color palate, leaves a lot to the viewer's imagination, excellent composition.

10 - Lake McDonald reflections.jpg

Ken Jones

Outstanding composition and use of reflections, could use a bit more contrast to create interest, light on the trees at the edge of the lake could be enhanced, brightening of the clouds would add to impact.

11 - Lone Tree in Yellowstone-Smoke on the Water.jpg

Betsy Collins

Subtle coloration makes this a very enjoyable image. Cropping out some of the sky would be an improvement.

12 - Magenta Sunrise-Sea of Cortez.jpg

Karen Schofield

Nice soft colors are appealing, a bit more contrast would transform this image.

13 - Moonlight Walk at Point Lobos.jpg

John Drum

Good composition with nice flow from left to right, a bit busy, sensor spot at upper center left.

14 - Morning Calm at Crespi Pond, PG.jpg

Margret Cordts

Excellent composition, well balanced, well focused and good use of reflections.

15 - Nature's Palette.jpg

Joni Zabala

Well done but could use a more well defined center of interest, great use of patterns and textures.

16 - Nectarine.jpg

Brooks Leffler

Well done, excellent focus, would work well in a series.

17 - River Fire.jpg

Dick Light

Impactful image, compelling subject matter that would do well as a Documentary image.

18 - Ruffed Great Blue Heron.jpg

Christina Parsons

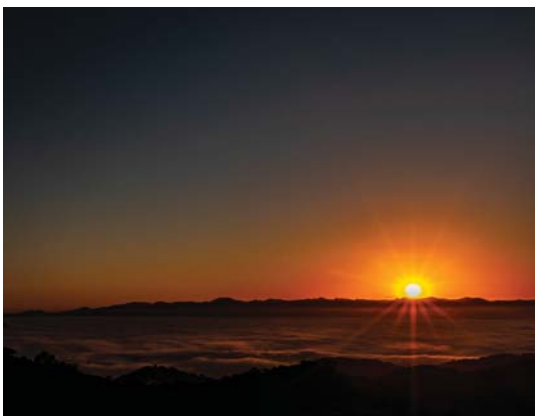

Incredible detail and sharpness, good composition.

19 - Setting Sun seen through fog and smoky sky.jpg a.jpg

Gerald R Gifford

Excellent image, wonderful tonality, power lines are a bit distracting.

20 - Sun rises over mountains and a fog filled valley.jpg

Gerald R Gifford

Beautiful sunset image with very nice color tonal ranges.

21 - Thistle and Barbed Wire .jpg

John Drum

Nice use of blurred background, center of interest could be more defined.

22 - Tomato.jpg

Brooks Leffler

Well done, excellent focus, would work well in a series.

23 - Undeterred.jpg

Dick Light

Images captures the moment, good use of movement.

24 - Untethered Joy.jpg

Karen Schofield

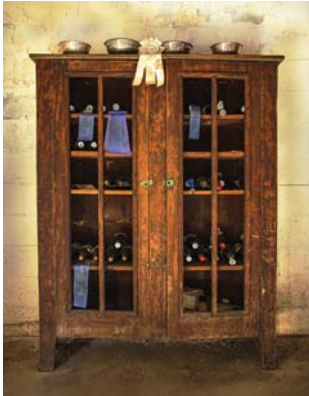

Delightful image, excellent composition, captures the moment.

25 - Wood plane.jpg

Dale Thies

Extremely warm and inviting image, outstanding composition and framing transforms an ordinary object into a compelling image.

26 - Yesterdays Accolades.jpg

Jerry Heisel

Interesting image, nice color tonal ranges, good story telling elements.

27 - Yosemite Falls in Winter.jpg

Carol Silveira

Excellent tonal ranges, unusual and creative capture of well known subject.
