02-Antelope Walls.jpg

Jerry Loomis

Nice color palette.

03-Chase Center reflections.jpg

04-Emily at Rest.jpg

Brooks Leffler

A teen in action.

05-Gabby Tubing.jpg

David Eisen

Love the tension of the strap curling in the bottom left of the frame. Right side of frame cuts off the tube though. Let your eye travel the perimeter of the frame before pressing the shutter.

06-John and Max.jpg

Brooks Leffler

Decisive Moment.

07-Kitchen Wisdom.jpg

Ken Jones

Nice framing.

08-Memories.jpg

Frank Penner

Nice still life and good idea for a portrait.

09-On the beach - Rosie cops a tude.jpg

Rick Thau

Cute. I can see her in 20 years!

10-Relaxing After a Hard Day of 1st Grade.jpg

Carol Fuuessenich

Watch the edges of the frame (feet cut off), but like how she seems like an adult (dress and pose).

11-Romeo and Gabby.jpg

David Eisen

Slightly blurry, but sweet picture.

12-Rush hour at the wharf.jpg

Ken Jones

Nice use of shutter speed and frame.

13-Steph Curry warming up.jpg

Rick Thau

Decisive moment.

14-Take the Picture.jpg

Frank Penner

Love the gaze of the dog and that the subject isn't the human.

15-What is This__.jpg

Carol Fuessenich

The background looks a little heavy, but like her expression.
